## KITCHEN IDEAS SPLASHBACK

The glass splashback almost seamlessly blends in with the benchtop and adds to the distinguished chic look of the kitchen while adding light to the room, creating dimension. The designers at Vestal Solutions provide kitchen design ideas based on the latest industry trends.

Create a designer glass splashback for your kitchen. Get unique heat resistant, toughened modern kitchen splashback to get a beautiful, contemporary and easy to clean kitchen. Visit our kitchen showroom Melbourne today!

## KITCHEN IDEAS- DOORS, PANELS AND CABINETS

A leather matt finish by Polytec is used for the cupboards to create warmth and texture in the aesthetic of this Contemporary style kitchen and imbue the space with a timeless and classic essence while the Gessolini sheen finish for the upper cupboards and back panels perfectly complements the colour and sheen of the 'ice snow' benchtop and acts as the perfect smooth, contemporary exterior.

Visit our kitchen showroom Melbourne for ideas to renovate your kitchen. Look at the various kitchen cabinet and fixtures options.

## CAESARSTONE BENCHTOP

The elegant, strong and durable quartz-surface Caesarstone benchtop in the colour 'ice snow' is scratch,,mould resistant and non-porous. This modern benchtop creates a sleek aesthetic look to the kitchen while minimizing maintenance.

Visit our kitchen showroom in Melbourne to look at the various options. Call us now to make your kitchen look great with affordable solutions.
